# ALUMINUM SECURITY ROLL DOWN SHUTTERS

---

## IDS ALUMINUM ROLL UP SHUTTERS

Keep your property safe when you are home or away with rolling shutters By IDS. Shutters act as a physical barrier to potential criminals, and a visible deterrent that makes potential thieves think twice before even approaching your home. Experience the Security, Comfort, and Protection of IDS Shutters.

Rolling shutters provide a wide range of benefits that you can enjoy every day. Energy Savings By keeping your shutters down during hot and cold times of the year, you can prevent energy loss through your doors and windows. Finally, take complete control of the light in your home or workplace.

Privacy at is best. Rolling shutters allow you to tune out any unwanted onlookers that might be a nuisance to your indoor private life.

Noise Reduction : Shutters help reduce the amount of noise entering your home or office. And if you live or work next to a busy street or annoying neighbor, you know every bit helps.

---

UV Protection and thermal protection.Prevent fading over time to your furniture and other valuables. Rolling shutters cover openings that let damaging sun in.

The Slick design of the Roll down shutters allow you to install the door where headroom is limited.

All of our products are tested for wind-loads and protection. You will only get the best quality by buying direct from IDS.

Security Aluminum Extruded Grilles are also available. These grilles are perfect for crowd control and protection.

---
